About

I am a driven individual who seeks for a challenge and growth in my creative career. I seek to apply my knowledge and capabilities to creating stunning visuals and to push the boundaries of design.

Education

York University
Bachelor of Design (YSDN) 2015

Excelling in classes such as motion graphics, editorial and branding, my time at York University has moulded me into an efficient and motivated designer. Experimentation and many hours of application during projects benefited my visual design and typography, and have enhanced my work in the design field.
