## About

I am a driven individual who seeks for a challenge and growth in my creative career. I seek to apply my knowledge and capabilities to creating stunning visuals and to push the boundaries of design.

## Education

 **York University**  
**Bachelor of Design (YSDN) 2015**

Excelling in classes such as motion graphics, editorial and branding, my time at York University has moulded me into an efficient and motivated designer. Experimentation and many hours of application during projects benefited my visual design and typography, and have enhanced my work in the design field.

 **BrainStation**  
**User Interface Design 2021**

Learning the advanced skills of User Interface Design from design principles, best practices, to visual trends relevant to crafting website and mobile applications, including Android and iOS. Learning to transform user goals and requirements into beautiful, intuitive, and most of all functional digital interfaces. Learning to use the appropriate tools in designing and prototyping interface design.
